

17th INTERNATIONAL SCIENTIFIC CONGRESS

For a healthy life

**From June 24 to 28, 2025
Plaza América Convention and Trade Center,
Varadero, Matanzas, Cuba**

FIRST ANNOUNCEMENT

Dear Colleagues,

It's a pleasure to announce the 17th edition of the International Scientific Congress organized by the National Center for Scientific Research "CNIC | 2025", to be held from June 24 to 28, 2025 at the Plaza América Convention and Trade Center, Varadero, Matanzas, Cuba.

With the slogan "*For a healthy life*", this event will bring together a significant number of national and foreign specialists, with the aim of presenting and discussing about the main topics developed not only in our institution, but also in other research centers. There will also be a space for the exhibition of innovative products and technologies from the pharmaceutical and biotechnological industries.

Six symposia make up the scientific program of the event: 2nd International Symposium on Natural Products, 8th International Symposium on Ozone Applications, VIII International Symposium on Environment, V Symposium on Infectious Diseases and Vaccines, I International Symposium on Industrial Manufacturing of Natural Products and Regulatory Affairs, as well as I International Symposium on Business Management.

CNIC | 2025 will provide a unique platform for the presentation of Keynote Lectures by specialists of recognized international prestige, as well as presentations of scientific researches, promoting the scientific and technical exchange and the integration between academic and industrial sectors. It will also contribute to the dissemination and acceptance of new products, methods, trends and technologies within an appropriate scientific framework.

The holding of an Associated Exhibition Fair during the event days, will favor the presentation of portfolios of products and services of national and foreign companies in the

sector or other related, as well as it will be the appropriate space to present and discuss new business opportunities.

This Congress will be an excellent opportunity to commemorate the 60th anniversary of our institution, surrounded by the famous Cuban hospitality and enjoying one of the most beautiful beaches in the world, Varadero.

We are pleased to invite you to participate in the Congress **CNIC | 2025**, and to learn more about our wonderful country. It will be an honor for us to have your presence on such important occasion with the certainty that this new edition will help establish or strengthen ties of cooperation between specialists and researchers.

REQUIREMENTS FOR ABSTRACTS AND FULL TEXT SUBMISSION

Abstracts should be written in English. A template for summary is available in the website. The full text for publishing may be presented in any of the two official languages of the Congress, Spanish or English.

It is mandatory that at least one of the authors has registered and paid the registration fees.

Use any version of Microsoft Word, Letter size page format with 2.5 cm margins and Times New Roman font with single line spacing. The document should be saved in MS Word (DOC) format or, preferably, in Rich Text Format (RTF). The total space should not exceed one page.

The Title of the Abstract will be set with a font size of 16 points and consists of no more than 20 words. The modality of presentation (Keynote Lecture, Oral presentation or Poster) intended should be suggested. However, the Scientific Committee will decide the modality of presentation.

The name and surname of the authors as well as their affiliation must be shown. The font size will be 12 points for the names of the authors and 10 points for the affiliation. Although there is no limit on the number of authors, we would appreciate to include in the summary only until the first six authors to facilitate editing. The name of the presenting author should be underlined and the e-mail must be indicated. Three to seven keywords will be provided.

The Abstract body should be up to 250 words without including the title and the names and affiliations of the authors. The font size in this case will be 12 points. The summary should briefly reflect the structure of the complete work (Introduction, Materials and Methods, Results and Conclusions). Images, tables, formulas, complex symbols or acronyms should not be included in the abstract body.

The deadline for submission of abstracts will be March 1, 2025.

The full-text papers will be subjected to peer review for publication in special issues of Revista CENIC Ciencias Biológicas (ISSN: 2221-2450) and Revista CENIC Ciencias Químicas (ISSN: 2221-2442). The full text will not exceed 10 pages.

The posters will be electronic and should be prepared using Power Point (16:9) and saved as images in jpg format (1280 x 720 pixels). A template for posters is available in the website.

Both, the abstract and the full text must be sent to the organizers of each symposium through e-mail.
